My Environment

*My environment provides things I need: water, air, food and shelter.*

Instructions:
On the left side of the arrow, draw where you personally get each need from.
On the right side of the arrow, draw where those needs come from.
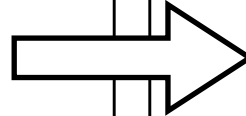

I get WATER from:	*It comes from:*
I get FOOD from:	*It comes from:*
I get AIR from:	*It comes from:*
I get SHELTER from:	*It comes from:*
